

Memo form the Agripole PMU

Dear all,

Please be advised that the three Agripole partners have met recently to review EU grant contract extension. As the partners have not been able to reach a final agreement on the extension requirements, and as the SME/Ministry of Economy and Trade is under reorganization, and as one of the founding partners is still on travel, the PMU decided to extend the annual vacation and to delay implementation activities until further notice.

We appreciate your understanding and support, and we hope Agripole activities will be resumed on time as soon as possible.

Sincerely,

Atef Idriss
